

Know the Equation

Mathematics is a universal language. Numbers can be used to describe objects in many different ways and on many different planes. The mathematical equation you see below represents perfect health from a balanced biochemical point of view.

$$CS + [1.5 \quad 6.4/6.4 \quad 6-7 \text{ C} \quad .04 \text{ M} \quad 3/3] = \text{pH}$$

Maintaining balance is the key to health, happiness, wealth and success in all areas of our lives. BIA is designed to restore energy and proper balance to biological chemistry allowing the body to heal.
